

A photograph of a bride and five bridesmaids standing in a row. The bride is in the center, wearing a white lace wedding dress and holding a large, vibrant bouquet of flowers. The bridesmaids are on either side, wearing long, flowing, light pink dresses with floral patterns and small colorful accents. They are also holding large, colorful bouquets. The bouquets feature a variety of flowers, including purple, yellow, pink, and white blooms, along with greenery. The background is a plain, light-colored wall.
